There was also a brief discussion of the recent Recommended Decision of the Federal-State Joint Board, particularly as to the issue of primary lines.² The views expressed by the ALLTEL representatives during the meeting were consistent with the positions set forth in ALLTEL's filings in these proceedings.

In accordance with Section 1.1206 of the Commission's rules, this letter is filed with your office for inclusion in the public record of the above referenced proceeding. If you have any questions regarding this *ex parte* notice, please contact the undersigned.
